fees paid for the first and second notices of appeal and for the first and second Appeal Briefs previously paid will be applied to this third appeal.

Applicants would like to make a request to Examiner Tang, SPE Meng-Ai An and to the conferee involved in the pre-trial appeal conference that they will not reopen prosecution again, but instead, allow the Examiner to file an Examiner's Answer so as to reduce the delay and expense in prosecution of this case. This is Applicants' third appeal brief in response to the second time that the Examiner has reopened prosecution. The Examiner is continually reopening prosecution because those on the pre-trial appeal conference do not believe that the Examiner will be successful in the Appeal and hence have given the Examiner numerous opportunities to strengthen the Examiner's case. This is improper and unfair. How many bites at the apple does an Examiner get? All that results is increasing the pendency of the case and further delay. If SPE Meng-Ai An and the conferee decide to let the Examiner reopen prosecution again, Applicants will be contacting the Group Director and Commerce Secretary Carlos Gutierrez regarding the lack of progress in this case.

Respectfully submitted,
